Paralegals

A legal dispute can reach any household. For members of our Individual & Family Legal Plans, we offer the "Trial Representation Add-On" for $5 per month, in addition to the Plan fee.

When a covered dispute becomes a formal proceeding, a Member of the Bar from the Syndicate Legal Advisory Network appears on your behalf, whether you are the Plaintiff / Petitioner or the Defendant / Respondent. The Add-On applies to Arbitration, Mediation, Administrative Law, State Court and Federal Court matters.

Each year, the Add-On includes up to 300 hours of Lawyer, Paralegal & Law Clerk time and up to 100 Trial Attorney hours.

Additional hours are billed at 25% to 35% off the stated rates of Network Attorneys and Law Firms. Benefits begin after 180 consecutive days of enrollment in the Add-On, for matters that arise after that waiting period. Court costs, filing fees and expert fees are not included.

The Trial Representation Add-On gives your family:

- Representation on either side of a matter
- Appearances by a licensed Attorney
- Up to 400 professional hours each year
- 25% to 35% off any additional hours

Syndicate Legal Advisory Services administers the Add-On. Representation is provided by independent Network Attorneys under a separate engagement. Terms, limits and exclusions apply; see the Add-On Agreement.
